Experience

Loblaw Digital • Product Designer

Jan 2024 to Present • Toronto, ON

Account Management — Reduced onboarding time for e-commerce customers by centralizing account attributes across five brands into one Account Centre.

Internal Tools — Reduced colleague friction to efficiently and effectively manage personalized campaigns on Campaign Manager. In one year, grew the number of monthly active users.

schoolhouse.world • Product Design Intern

May to Aug 2022 • Mountain View, CA

Led two MVP initiatives for an ed-tech startup, impacting 40K+ students globally.

Designed Classroom Tools for teachers at Khan World School from zero to one. In one year, student growth was 4x the typical national growth.

ThinkData Works • Product Design Intern

Sep to Dec 2021 • Toronto, ON

Increased task completion rates and improved visual hierarchy by simplifying complex forms for a B2B data catalog tool.

CIBC Digital • Web Design Intern

Jan to Apr 2019 • Toronto, ON

Wireframed, prototyped, and built public-facing webpages reaching 11M+ banking clients using a content management system.
